Pascall's Quality Policy

It is the Quality Policy of the Company to:

- provide products and services which meet our customers expectations in terms of performance and delivery.
- foster a customer focused environment committed to continuous improvement through the training, development and empowerment of our employees

This Policy Statement is achieved by:

- ensuring that all employees are aware of their individual responsibilities to meet the Quality Objectives.
- ensuring that all employees are empowered through a culture of continuous improvement and supported by training to ensure effective operation of the Quality System
- ensuring the procedures laid down in the Quality System are compliant with BS EN9100: 2009 and ISO9001:2008, are adhered to and reviewed periodically to ensure their effectiveness.
